

Peer Mentor - Prostate Cancer Community (Part Time, Virtual/Remote Work)

DESCRIPTION

At Curatio, we are driven to help individuals live their healthiest lives by using the power of private social networks to provide peer support and access to evidence based resources in a safe and secure environment. We work with global, industry-leading organizations to develop the next generation of patient support and engagement tools to empower patients at scale.

With users in over 102 countries (and translated in a variety of languages), Curatio is rapidly growing and we're looking for the next rockstar to join our dynamic team. If you're passionate about making a positive impact, and Curatio's "No Patient Alone" ethos excites you, we'd love to speak with you.

We are looking to hire a part-time Peer Mentor (approximately 5-8 hours a week) with lived experience to join our team to help us further support, engage, and motivate our in app (Prostate) community members to stay healthy and connected from home during the COVID-19 pandemic and beyond!

QUALIFICATIONS

- Background or personal experience in the area of prostate diseases
- Knowledge of how to navigate healthcare environments gained through studies (professional or personal experience)
- Possess a Bachelor's Degree or equivalent training/work experience in any of the following fields: nursing, social work, counselling, coaching or another healthcare field
- Proven experience with social media or online engagement of users (ex. facilitation, messaging, or counselling/coaching) will be considered an asset
- Tech savvy with online, app and desktop programs (PC, Apple, Android devices) and technical terminologies
- Fluent in English (written and spoken); bilingual ability will be considered an asset

RESPONSIBILITIES

- Posts relevant and topic specific health and social/relational content to the online, general community feed
- Facilitates peer to peer community discussion and engagement
- Provides guidance and support, responding to various user feedback while upholding the positive spirit of the community
- Develops relationships with members and involve and coach them in building their support circle, participating in programs, and using tracking tools
- Liaises with the Curatio development team on providing feedback on features, community requirements, and user feedback

JOIN US!

We are an experienced and passionate team of healthcare professionals, PhDs, developers, patients and serial entrepreneurs who are all motivated to make an impact. Titles aside, we are a dedicated and fun loving team that strives to provide an environment where everyone can be their best. Building a positive community is core to our beliefs. Our remote team spans the globe (Canada, US, Europe, etc.), providing a flexible and inclusive work environment that includes a diverse set of backgrounds and cultures. We strive to provide meaning to our collective work, while also rewarding one's own personal curiosity with technology and innovation.

Excited? Us too! Please submit your resume and cover letter to careers@curatio.me and let us know what interests you about the role and why you want to join the Curatio rocketship.

Please note due to the anticipated volume of candidates, only those qualified or shortlisted will be contacted.
